

16 March –2pm

“On Earth as it is in Heaven” Sacred geometry & cosmology in the teachings of Professor Keith Critchlow

**Speaker: Tom Bree,
Geometer-Artist, Teacher,
Researcher and Writer,
Author of The Cosmos In Stone,**

Tom has been involved in the practice and study of Sacred Geometry for over 25 years. This artistic journey emerged from a spiritual awakening, experienced in his early twenties, which eventually led him to the Master-Geometer Professor Keith Critchlow. Tom studied with Professor Critchlow at the Prince's Foundation between 2001-03 for an MA in Visual Islamic and Traditional Arts (VITA). tombreegeometry.com

Details: Free to attend with retiring collection.

Location: St Mary's Church Battersea, Battersea Church Road, London SW11 3NA.

For over twelve hundred years, St Mary's Battersea has stood on the banks of the River Thames and is the only Grade 1 listed Church in Wandsworth. The funds raised from this talk will assist in keeping our ancient building as a place of living history, beauty and inspiration, and one that looks to serve the wider community of all faiths and none.
